

## About the Metro New Orleans Area Player Database

Database Version	Version Release Date
V11	7/27/2013

### Criteria for including players in the Metro New Orleans Area Player database

Players in this database attended a New Orleans area high school (including Orleans Parish, Jefferson Parish, River Parishes, North Shore) and later played college baseball, were drafted professionally, played in the Minor Leagues, or played in the Major Leagues. Players who were born in the New Orleans area, but did not play high school there, are not included. Players at New Orleans area colleges are not included unless they also played high school baseball in New Orleans area high schools.

### Database Maintenance

The source of player's Major League, Minor League and Professional Draft information is Baseball-Reference.com. College media guides are generally used to provide player's birthplace, high school, birthdate, and years played at college.

This database is a ongoing work-in-progress project. It is acknowledged that it is not complete or free of error at any point in time.

At the end of this document is a list of the players who were added or deleted in this version. The total number of players in this version is 986.

Terry and Bernadette Cullen provided a significant number of new players and updates in this version. Many thanks for their efforts and diligence in tracking down the new information. Others who provided updates/additions include: Dave Kern, Bob Holstein, Craig Kirtland, and Brother Neal Golden. Thanks.

Database additions, updates, and corrections should be directed to Richard Cuicchi at [rcuicchi@aol.com](mailto:rcuicchi@aol.com). Requests for additional sorting or formatting of the player database can be be directed to the same email address.

A new release of the database will be issued at least annually.
